

Your Facts. Your Family. Your Future.

A local newsroom. A civic resource.

ProPaducah is a local newsroom and civic resource that helps people understand Paducah and take part in its future.

OUR MISSION

We help people understand the issues shaping Paducah, connect with their community, and take part in its future. We make public data accessible, understandable and actionable through clear reporting, useful visualizations and practical guides that help people make informed decisions and get involved.

WHO WE SERVE

For people who call Paducah home, care about its future, or want to understand the decisions shaping daily life here.

UNDERSTAND. CONNECT. TAKE PART.

Public records

Source-linked guides and context for local government and public decisions.

Useful data

Visual tools with the sources, definitions and limits needed to read the numbers.

Local life

Community information and a calendar that connects people with local events.

Recognizably ProPaducah.

Approved artwork in forest green and pure white. Keep the identity consistent wherever it appears.

KEEP THE ORIGINAL ARTWORK

Preserve proportions, lettering and colors; do not retype the logo. Forest #074925 and white #FFFFFF lead. Standalone wordmarks contain no Chief; the illustrated lockup places him behind the second P. SVG logos contain raster artwork, not traced vectors or a font. The city view is an illustration.
